

HELP CREATE A SECULAR STEP STUDY GUIDE

NO WRITING NECESSARY

Come and share your own vision of each step, and how you work it, on your deity-free journey. These insights will become locally-produced OA literature, approved for use by meetings with the specific focus, "Atheist/Agnostic/Secular."

We will have three (90 minute maximum) virtual meetings, with transcription on, each one focused on a different step.

If you have questions, or need language translation, contact us as soon as possible at:
